

# 2024 UNITED PROGRAM INFORMATION

## WHAT IS UNITED?

It is a soccer program designed for players who love soccer and want to dedicate more time and energy into improving their skills. Players will learn more about the game and get the opportunity to compete against teams from across the province.

## TRAINING SCHEDULE

United players train a minimum of 2 times per week. Some older groups (U13+) train 3 times per week, one of which is an early morning session.

## COMPETITION SCHEDULE

Moose Jaw - May 10-12, 2024

Weyburn - June 8-9, 2024

Regina (FCR SummerFest) - June 20-23, 2024

\*more competitions may be added at the discretion of each team

## TEAM COMPOSITION

Teams may be based on: the number of registered players, commitment levels, skill levels, and what would provide the best soccer experience. Some teams will group into Division 1/Division 2 teams, into 2 equal teams, or into 1 large team. The decision is made by the coaches and Technical Director on a team-by-team basis.

## PRE-SEASON CAMP

We are excited to offer a pre-season camp running April 22-26, 2024. This camp will be a great opportunity for the players to get to know each other before the season begins and to sharpen their skills before the season begins. More information to come.

## TEAM COMMUNICATION

We use TeamLinkt, a free sports team app that allows coaches/managers/parents to communicate throughout the season.
